ROAD RUN

Skyward X 2

THE PLUSHEST RIDE ON THE ROAD

A plated super trainer geared for daily miles, the Skyward X 2 has been fine-tuned to deliver a more secure ride while maintaining the same lively underfoot feel. Built on our max-cushioned midsole, this ultra-premium trainer features a revolutionary new suspension system. The secret lies in our convex carbon fiber plate that compresses and springs back with each step. Lighter than its predecessor, this gravity-defying trainer enlists a luxurious creel jacquard upper, zonally padded tongue and reflective details for dawn-to-dusk efforts.

Bondi 9

The ultra-cushioned game-changer

One of the hardest working shoes in the HOKA lineup, the Bondi 9 delivers peak plushness for everyday miles. Overhauled from top to bottom, we've increased the stack height and added a new premium foam midsole to deliver that soft, resilient ride that's become synonymous with the Bondi. Elevated with a 3D molded collar and structured knit upper with zonal breathability, this ultra-cushioned cult favorite has been finished with Durabrasion rubber to combat high wear zones.

Clifton 10

Light and plush for everyday miles

A trusted trainer for daily maintenance miles, the Clifton has been the keystone of our cushioned styles for 10 years and counting. Ushering in a new era of plush performance, this next-generation update delivers a revitalized underfoot experience with an additional 3mm in heel-to-toe drop. Delivering the same ultralight cushioning that made the Clifton a fan favorite, we've fine-tuned the fit and added a breathable jacquard upper with double-lace lock to mitigate tongue migration.

Speedgoat 6

A GRIPPY, RESPONSIVE RIDE FOR TECHNICAL TERRAIN.

There's only one GOAT on the trail. And this is it. Combining HOKA's tried and true cushioning with aggressive traction and ultralight materials, the Speedgoat 6 was born to tame the trail. A workhorse for technical terrain, this rugged trail runner was refined with a breathable woven textile upper, foot-hugging internal chassis, plusher dual gusset tongue, and revised lug orientation inspired by the hoof of a goat (what else?)

Speedgoat 6 GTX

A workhorse for sloppy, wet conditions.

The Speedgoat 6 GTX is now even more comfortable with GORE-TEX's Invisible Fit waterproof membrane for a lighter, more flexible construction to help avoid pressure points. Grounded in a Vibram® Megagrip with Traction Lug outsole for increased bite on loose soil, this trail icon employs a foot-cradling heel bolster, lightweight, responsive midsole compound, and a protective toe cap for charging through the rough stuff. Bring it, weather.

Torrent 4

TRAIL

Light and plush trail traction

Softer, bouncier, more stable and durable—the redesigned Torrent 4 is all about that cushion, and honed for the trail. We upgraded the midsole compound for a lighter, cushier ride, increasing the stack height but nestling the foot securely in an Active Foot Frame™. Then we reworked the 5mm lugs for an even more aggressive bite, wrapping the high-abrasion rubber strategically up the outsole, and adding an extra plush sockliner for comfort for the long haul.

Challenger 8

Street approved. Trail tested.

Built at the intersection of road and trail, the Challenger 8 delivers all the smooth cushioning and confidence-inspiring traction you'll need to tackle a variety of terrain. A gravel-grinding workhorse loved for its hyper cushy ride, we've added even more foam underfoot and improved the fit since our last iteration. Finished with a minimal mesh upper, plush collar, and durable rubber toe cap, we've reimagined the orientation of our multi-directional lugs to ensure the best all-terrain ride yet.

TRAIL RACE

Tecton X 3

Carbon-plated propulsion for the trail

Ready to propel you through gnarly terrain, the Tecton X 3 adds winglets to its carbon fiber plates for extra stability in just the right spots, and two layers of PEBA in the midsole—our lightest, most resilient compound. Redesigned lug shape and positioning on a Vibram® Megagrip with Litebase outsole provide better traction, while a dynamic vamp allows feet to splay as the miles fly by. Topping it off, a knit collar extends up from the tongue like a gaiter to mitigate trail debris, and a lightweight MATRYX® textile upper makes this version more durable and trail-worthy than ever.
